## Topics Covered:

---

This hands-on workshop provides participants with the optimal knowledge and skills required when working with Blogging, Wikipedias and Google Earth.

### Duration:

1 Full Day

### Who should attend:

Ideal for all educators (P-12), these free web applications are popularly used by students as tools of communication and learning in this age of the digital revolution. Through a series of classroom based activities, participants will learn how to effectively engage with their students in these exciting and easy to use technologies.

### Related Courses:

Why not extend your ICT knowledge by enrolling in other Envisage Training workshops such as Adobe InDesign, Adobe PhotoShop, Microsoft Multimedia or Microsoft Project.
