Last Updated: May 2011

Duration:

1 Day

Who should attend:

This is an ideal workshop for any teacher or facilitator from Prep to Year 12, who is looking to make use of these suites of exciting and engaging Microsoft software tools in the classroom. Participants will share a desire to become familiar with the functionality and pedagogical application of these commercial as well as Free programs. At the conclusion of this hands-on workshop, they should have a good understanding of the power of teaching and learning with Microsoft OneNote and the Microsoft Learning Suite.

Course Pre-requisites:

Participants should be familiar with working in a Windows environment and need to have a current Windows Live Account.

Course Contents:

Through a series of hands on activities, participants will explore the following software applications:

- Microsoft OneNote 2010
 - Microsoft PowerPoint 2010
 - Microsoft Excel 2010
- Microsoft Maths
- Microsoft AutoCollage
- Microsoft Photosynth
- Microsoft Education Labs
- Microsoft Office Live + Skydrive
