Who should attend:

This course will introduce the concepts of Business Analysis and is aimed at beginner/intermediate level Business Analysts.

Trainer Profile:

Dr. Neil Pearson is an experienced senior manager who employs a problem-solving, solutions-driven approach-style of management. Possessing excellent leadership skills he is highly experienced in establishing and developing high-performing, high yielding teams. He is a well-respected mentor & coach and a strategic thinker who can interact with and engage both Executive Management teams and University students using his clear communication and confident public speaking skills.

Dr. Pearson has both national and international Portfolio/Program & Project Management skills and experience, and can support Change Management across the Business. He works in both the Corporate Education arena (lecturing/tutoring at QUT and UQ) and selectively works across professionally well-respected, private corporate education providers.

Trainer's Qualifications:

Doctor Of Philosophy, Cert IV Training & Assessment, Diploma in Project Management, Master of Science, BA(Hons) in Data Processing
